SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As we conclude our fourth year, Sandlapper Elementary raises many banners of excellence: the state's Palmetto Silver Award, the state's Red Carpet Award for customer service and the state's PBIS Exemplar School Award. We now have 17 teachers with National Board Certification. Sandlapper also met the Federal Adequate Yearly Progress level for 2009 with 17 out of 17 objectives met. Our Report Card rating elevated from "Average" to "Good." We continued the 09-10 school year with our PBIS initiative, Positive Behavior Intervention and Support program, a research-based positive reward systems. Our staff, SIC, and PTO have provided many opportunities for our families and community to become intimately involved, such as the Back-to-School Bash, Veteran's Day activities, Art from the Heart, Mother/Son - Father/Daughter Dance, Spring Fling, and the One School, One Book Program. We expanded our Single Gender programs to include second, fourth, and fifth grades. With commitment by all . . . students, faculty and staff, parents, community, and businesses, we have created an enviable, safe, supportive and challenging environment for our young learners.

Test scores alone cannot depict the exemplary efforts and achievements of our students. Our children model diversity, democracy, and citizenship through foreign language, service learning, and character education; they demonstrate physical triumphs through P.E. and our morning track program; and they make new discoveries and create original works through technology and fine arts integration. This narrative was written prior to the release of the 2010 PASS results; these results will be carefully analyzed and strategies will be implemented for continued improvement. We do have the results of our Fall and Spring implementation of NWEA's Measures of Academic Progress (MAP). In most of the MAP grades and categories, our students achieved at or above district averages. We have initiated more formative assessments such as DIBELS and DRA to chart growth of our youngest, kindergarten, first grade, and second grade students. We will continue to study strengths and weaknesses indicated for each child and design goals for success.

Programs, strategies and practices such as Single Gender Education, Math SuperStars, 6-Trait Writing, Open Court, Reading Counts, Hands-on Learning, Differentiated Instruction, Tier 1, Tier 2, and Tier 3 Interventions, and Technology Integration engage and challenge all learners. We also provide flexible grouping, before-school programs, and varied interventions to address specific learning needs.

Sandlapper will continue to face the challenges of change and growth in our attendance area and population. We are very proud of our accomplishments so far and hope that you will share in our pride. This report card is a call to action for everyone to be involved in our continuing effort to constantly improve. Thank you for your support and for sharing the responsibilities of the success of our students and of Sandlapper Elementary!
